

Introduction to Software Security

1st Quiz

Computer Security & OS Lab
Dept. of Software Science, DKU

Cho, Seong-je (조성제)

Spring, 2020

Answer the following four questions

1. What is the difference between *information security* and *computer security*?
2. What is the difference between *software security* and *security software*?
3. What is *malvertising*?
4. What is '*rogue software*'?

Solving & Writing

- Solve the question individually (by yourself).
 - You must write a report including the answers to the quizzes by yourself.
 - No cheating
- The **cover page** of the report must include
 - Title (제목): “**The 1st Quiz of Intro. to SW Security**”
 - 분반 (2분반 또는 3분반)
 - Student name, Student number
 - Date of submission
- Deadline
 - Submit your report by 23rd March.

Submission

- **File** naming of the answer report for the first Quiz
 - **ISS(분반)_Qz1_이름_학번_mmdd**
 - If you are in the 2nd class, name = “전우치”, student number = 32171234, submission date = 20th Mar., then the filename for this Quiz is **ISS(2)_Qz1_전우치_32171234_0320**

- **Submit your report to TA by email.**
 - **Email** title: “SW보안개론(분반) 1번 Quiz 답안 제출”
 - The title for the 2nd class: “SW보안개론(2) 1번 Quiz 답안 제출”
 - The title for the 3rd class: “SW보안개론(3) 1번 Quiz 답안 제출”

 - TA: 한승재 (Seungjae Han) googkstmdwo@gmail.com
